

# Life Group Questions

---

## God's Plan - God's Way

### PRIMARY PASSAGES:

Gen 25: 1-16; Ephesians 1:3-14; Gen 17:18-21

### Questions:

*Please do not just think about these questions, but take time to write your responses to them during the week, and consider sharing one or two with your group when you meet.*

### Reflection for the Week:

Read **Ephesians 1:3-14** and consider that you have been chosen in Christ from before the foundation of the world. Consider the inheritance you are to receive because of Christ. Consider the immense grace of God to extend this to you, knowing that you cannot earn or deserve it.

Take note of your interactions with friends, family or co-workers in the week ahead. How does the example of God's grace offer growth and transformation in these interactions? Is it calling you to anything new, or away from any old habits? List anything that God brings to mind throughout the week.

When you meet with your group, you can encourage one another by sharing this process with them.

### Example:

- "Realizing that God sought reconciliation with me when I deserved rejection. I realized that I have been holding on to anger with my friend. God's grace calls me to reconciliation with them."
